

Santa Cruz County Paint Drop-Off Locations

California residents and businesses can now recycle leftover paint for free at local retail stores. For locations and program details, visit www.PaintCare.org or call 1.855.724.6809.

These sites will accept latex and oil-based paint, stains, and varnish in containers up to 5 gallons in size. Retail sites do not accept aerosols, containers without original labels, or containers that are empty or leaking (HHW Facilities will accept these products instead).
