**In June 2016, voters approved Measure S:
a \$67 million bond for facilities work throughout
the Santa Cruz Public Library system**

Original project budget: \$500k

New budget: \$1.66mil

**Funds obtained through this measure will help
provide more space to support programs for
community members of all ages**

**JAYSON
ARCHITECTURE**

An aerial photograph of a residential neighborhood, overlaid with a dark green tint. The image shows a dense cluster of houses and streets, with a river or stream winding through the left side and a large, open field on the right. The overall scene is captured from a high angle, providing a clear view of the urban layout and natural surroundings.

- 1. What words would you use to describe the current library?**
- 2. What are your favorite things about the current library?**
- 3. What are the most critical deficiencies of the current library?**
- 4. How would you like to use the outdoor patio?**
- 5. What is one improvement that would increase your library use?**
- 6. What do you like or dislike about the design presented tonight?**

Q&A
