SANITATION WORK – CAPITOLA AVENUE SEWER REHABILITATION PROJECT

The Santa Cruz County Sanitation District has announced that traffic on Capitola Avenue, between Bay Street and Beulah Drive, will be subject to one-way traffic with potential delays, between the hours of 8:00 am and 5:00 pm, Monday, July 20, 2020, weather permitting. The one-way traffic and delays are necessary for pavement striping and marking operations.

These delays and lane closures are necessary for sanitary sewer improvements. The Santa Cruz County Sanitation District would like the motoring public to avoid the area if possible or be prepared for delays during these times. Questions may be directed to Mark Christensen at (831) 477-3962.
